

playground/004-any
-test/t1.cpp

```
graph TD; A["playground/004-any<br>-test/t1.cpp"] --> B["test.h"]; B --> C["cxxabi.h"]; B --> D["iostream"];
```

The diagram illustrates a file dependency structure. At the top, a grey rectangular box contains the text 'playground/004-any' and '-test/t1.cpp'. A blue arrow points from this box down to a white rectangular box labeled 'test.h'. From the 'test.h' box, two blue arrows branch out downwards to two separate white rectangular boxes: 'cxxabi.h' on the left and 'iostream' on the right.

test.h
